Opportunities are available for youth (*Group 1: 15-18 years, and Group 2: 19-28 years*), who are passionate and have worked to improve their communities and the world, to receive a scholarship to attend the WORLD YOUTH CHANGE MAKERS (WYCM) course in **India**. WYCM is a 7-day spiritual experience developed by O&O Academy for youth interested in becoming leaders with powerful presence to inspire and heal the world. Scholarship recipients must be willing to volunteer for tasks before, during and after the course - especially in spreading the word about the course to their friends and family. The tuition for the WYCM course is \$1500 or \$3,000 depending on which campus a youth selects for accommodations. Additional expenses may be incurred for transportation, food and lodging. If selected for a WYCM scholarship, the Youth Scholarship Fund will pay the tuition fee of \$1,500 (or some portion thereof), providing that all other criteria are met. Traveling to and India can be physically, emotionally and mentally challenging. A physician's authorization to travel may be required for all youth.

*Moyo Institute, Inc., is administering the WYCM USA Scholarship Application process.*
